

Before you publish the site (Lab 3)

Multi AI Agents Workflow for Content Creation · Day 1 · Codex → GitHub Pages

- ☐ The compliance reviewer's last report says PASS.
- ☐ No INTERNAL fee or hours column appears anywhere on the page.
- ☐ The footer disclaimer is word for word.
- ☐ The calculator shows its illustration note.
- ☐ `git status` lists no `.env`, key, token or export.
- ☐ GitHub Pages: Settings -> Pages -> Deploy from a branch -> main, /docs.
- ☐ The live URL works on your phone, and the contact form needs consent.
