Prompts — Lab 09: The Lead Magnet: a Checklist and Its Welcome Emails

Multi AI Agents Workflow for Content Creation (ChatGPT Edition) · Day 2 · Use ChatGPT

Use: ChatGPT — the ChatGPT desktop app. Paste each prompt as written; change only what the lab tells you to.

Easiest: copy each prompt from https://tertiarycourses.github.io/TGS-2023036153-Multi-AI-Agents-Workflow-for-Content-Creation/prompts/chatgpt/#lab-9 (one Copy button per prompt).

PROMPT A — ChatGPT: the checklist

```
Use the lead-magnet skill. Turn
data/checklist-items.md into the "Money Check-up
Checklist": a title with one promise, the ten items
as tick boxes, one figure from data/facts-2026.md,
the next step (book a free chat) and the full
disclaimer. Lay it out as a printable A4 page in
the colours and fonts in data/brand.md and give me
a PDF to download.
Write for a business owner, in plain English: no
codes, IDs, file names or line numbers; start with
what it means and what I do next. Save a Word copy
(.docx) of each result.
```

PROMPT B — ChatGPT: the welcome emails

```
Write three welcome emails for people who download the
checklist: day 0 (here it is), day 3 (the item most
people miss — the retirement number), day 7 (book a
free chat). Follow the newsletter and sunny-voice
skills → content/email/welcome-sequence.md.
Then, using @Gmail, create the
three emails as DRAFTS in my Gmail, addressed to
me. Send nothing.
Write for a business owner, in plain English: no
codes, IDs, file names or line numbers; start with
what it means and what I do next. Save a Word copy
(.docx) of each result.
```

PROMPT C — ChatGPT: check it

```
Run fact-check and fin-compliance on the checklist
text and the three emails. Show the issues in one
table, with a fix for each. Once I agree, make the
fixes in the files and in the Gmail drafts.
Write for a business owner, in plain English: no
codes, IDs, file names or line numbers; start with
what it means and what I do next. Save a Word copy
(.docx) of each result.
```

Ask about the result

Once a result opens, type any of these in the chat to get its meaning. Ask until it makes sense to you — then decide.

- "Which checklist item do people most often miss, and why does it matter?"
- "Read the day 3 email as a 55-year-old. Is anything unclear?"
- "Explain each issue in one line: what is wrong, and the fix."
