name: competitor-scan
description: Use when researching Horizon's market or competitors. Six named Singapore
competitors across planning firms, robo-advisers, bank advisers and finfluencers: offer,
pricing model, channels, content themes, gaps. Every figure cited with a date, or UNKNOWN.
---
```

Competitor scan

Multi AI Agents Workflow for Content Creation (Claude Edition) · Day 1 · Use Claude Code

1. Read data/business-brief.md for what Horizon offers.
2. Find six Singapore competitors: two planning firms, one robo-adviser,

   one bank adviser, two finfluencers.

3. For each: offer, pricing model (published or UNKNOWN), channels,

   three recent content themes, one gap Horizon could fill.

4. Cite every figure with source and date; UNKNOWN when it cannot be found.
5. Save research/competitive-analysis.md (under 600 words).
