

# Prompts — Lab 07: Growth Analyst and Strategist: Cadence and Calendar

---

Multi AI Agents Workflow for Content Creation (Claude Edition) · Day 1 · Use Claude Code

**Use: Claude Code — Code mode (the `</>` button) in the Claude desktop app, in your horizon-studio folder.** Paste each prompt as written; change only what the lab tells you to.

**Easiest:** copy each prompt from <https://tertiarycourses.github.io/TGS-2023036153-Multi-AI-Agents-Workflow-for-Content-Creation/prompts/claude/#lab-7> (one Copy button per prompt).

## PROMPT A — Claude Code: the analyst

Use the growth-analyst subagent. From data/channel-benchmarks.csv and data/team-capacity.md, recommend how often to publish on LinkedIn, Facebook, the newsletter and YouTube. Compare the extra clicks from one more post, the unfollows or unsubscribes it costs, and the hours → strategy/cadence.md. Publish it as an artifact: a chart per channel of the extra clicks against the unfollows, and the hours. Write for a business owner, in plain English: no codes, IDs, file names or line numbers; start with what it means and what I do next. Save a Word copy (.docx) of each result.

## PROMPT B — Claude Code: the strategist

Use the growth-strategist subagent to build a four-week calendar from Monday 2 November 2026 in strategy/calendar.csv (columns as data/calendar-format.csv), from the cadence, strategy/storyboard.md and strategy/content-spec.md. review\_by two business days before each date; no public holidays; no week over the team's hours. Publish the four weeks as an artifact: a calendar grid by channel, review dates marked, hours per week. Write for a business owner, in plain English: no codes, IDs, file names or line numbers; start with what it means and what I do next. Save a Word copy (.docx) of each result.

## Ask about the result

Once a result opens, type any of these in the chat to get its meaning. Ask until it makes sense to you — then decide.

- "Why is the newsletter not weekly? Show me the numbers."
- "What happens if we add a third LinkedIn post a week?"
- "Which week is busiest, and does the team have the hours?"
