

Evidence — Lab 07: Studio Skills: Voice, Facts, Compliance and Formats

Multi AI Agents Workflow for Content Creation · Day 1 · Claude Cowork (/skill-creator) → every tool

Capture a screenshot or file for each line. Evidence beats a description.

- ☐ Four skills appear under Customize → Skills in Cowork.
- ☐ skills/ holds four folders, each with a SKILL.md.
- ☐ The same folders are in .claude/skills/ and .agents/skills/.
- ☐ Each description starts "Use when...".
- ☐ The new task picked the skills without being told to.
- ☐ fact-check marked a figure not on the facts sheet UNVERIFIED.

Notes

What did not work first time, and what you changed:

What you did NOT verify:
